NAME:

CZECH-STYLE DARK LAGER

DARK PILSNER

ABV: 5%

6/4/16oz

A fuller-bodied, dark version of a Czech Pilsner. Crafted using six distinct malts - predominantly Bohemian malts with a smaller percentage of dark malts. It has a rich and mildly toasty character, soft notes of caramel, a subtle bitterness and high drinkability associated with the style. Fermented with a traditional Czech lager yeast used by brewers in the Prague area.
